MOBILE KINDERPALLIATIVTEAMS

Unsere Kinderpalliativteams betreuen Kinder, Jugendliche und junge Erwachsene mit chronischen und lebenslimitierenden Erkrankungen in ihrem vertrauten Umfeld zu Hause.

Unser Ziel ist es, den betroffenen Kindern, Jugendlichen und jungen Erwachsenen die bestmögliche Lebensqualität zu bewahren, Krankenhausaufenthalte zu minimieren und den Familien und Angehörigen beratend und unterstützend zur Seite zu stehen.

UNSER BETREUUNGSANGEBOT

- bedürfnisorientierte und individuelle Betreuung unserer Patienten und deren Familien im häuslichen Bereich
- Behandlung und Linderung belastender Symptome und Beschwerden
- Erstellung eines Notfallplans für Krisensituationen
- Beratung über rechtliche und finanzielle Unterstützungsangebote
- Vermittlung psychosozialer Unterstützung für die Familie
- Hilfsmittelkoordination
- Vernetzung mit Kinder- und Hausärzten, Therapeuten, Pflegediensten und anderen Kooperationspartnern
- Trauerbegleitung der Familie und der Angehörigen

Die kinderpalliativmedizinische Betreuung beschränkt sich nicht auf die letzten Lebenstage oder -wochen, sondern kann bereits ab Diagnosestellung oder auch als akute Intervention im Laufe einer Erkrankung phasenweise erfolgen.
